“Design Worx is the analogue of quality and versatility.

We're a design oriented, one-stop
Premium Interior Fitout Company.

It stands alone as a simple,
complete definition of our firm.

Design. Develop. Deliver.

Design (Pronunciation - duh · zine)

A **design** is a plan or drawing produced to show the look and function or workings of a building, interior, furniture and other object before it is made.

Worx (Pronunciation: Works - vuhks)

Worx is an activity involving mental or physical effort done in order to achieve a purpose or result.

We have always believed that our growth should result in growth of all our stakeholders. Be it our employees, our vendors, our community & our environment.
